COMMISSION REGULATION (EEC) No 745/87

of 16 March 1987

derogating from Regulation (EEC) No 2169/86 laying down detailed rules for the control and payment of the production refunds in the cereals and rice sectors

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 2727/75 of 29 October 1975 on the common organization of the market in cereals (1), as last amended by Regulation (EEC) No 1579/86 (2),

Having regard to Council Regulation (EEC) No 1418/76 of 21 June 1976 on the common organization of the market in rice (3), as last amended by Regulation (EEC) No 1449/86 (4),

Having regard to Council Regulation (EEC) No 1009/86 of 25 March 1986 establishing general rules applying to production refunds in the cereals and rice sectors (5) and in particular Article 6 thereof,

Whereas Annex I to Commission Regulation (EEC) No 2169/86 (6), as amended by Regulation (EEC) No 472/87 (7), lists coefficients to be used in calculating the production refund payable where products derived from starch have been used to manufacture eligible products; whereas because the coefficients which apply to products classified under heading Nos 35.05 and 38.12 of the Common Customs Tariff do not necessarily reflect the relative value of the starch in these products on the Community market, it is necessary to modify these coefficients for a period within which a precise definition of the abovementioned products can be established, together with the methods required to determine the composition of these products; whereas a derogation from Regulation (EEC) No 2169/86 should therefore be introduced for a period up to 31 December 1987;

Whereas the Management Committee for Cereals has not delivered an opinion within the time limit set by its Chairman;

HAS ADOPTED THIS REGULATION:
