COUNCIL REGULATION (EEC) No 750/87
of 16 March 1987
amending Regulation (EEC) No 950/68 on the Common Customs Tariff

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular Article 113 thereof,

Having regard to the proposal form the Commission,

Whereas, following the accession of Spain and Portugal to the Community, negotiations took place with the United States of America under Article XXIV.6 of the General Agreement on Tariffs and Trade (GATT) with the objective of resolving the trade dispute which exists between the Community and the United States;

Whereas these negotiations resulted in the Agreement between the European Economic Community and the United States of America for the conclusion of negotiations under GATT Article XXIV.6, as approved by the Council Decision of 30 January 1987;

Whereas, under the terms of the Agreement, the Community undertook, *inter alia,* to reduce certain customs duties on an autonomous basis during the period 1987 to 1990;

Whereas an amendment should therefore be made to the Common Customs Tariff annexed to Regulation (EEC) No 950/68 [1], as last amended by Regulation (EEC) No 430/87 [2],

HAS ADOPTED THIS REGULATION:

Article 1

The Common Customs Tariff annexed to Regulation (EEC) No 950/68 is hereby amended in accordance with the Annex hereto.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 16 March 1987.

For the Council

The President
