COMMISSION REGULATION (EEC) No 1065/88
of 22 April 1988
fixing the sluice-gate prices and levies for pigmeat

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to the Act of Accession of Spain and Portugal,

Having regard to Council Regulation (EEC) No 2759/75 of 29 October 1975 on the common organization of the market in pigmeat (1), as last amended by Regulation (EEC) No 3906/87 (2), and in particular Articles 8 and 12 (1) thereof,

Whereas sluice-gate prices and levies for the products specified in Article 1 (1) of Regulation (EEC) No 2759/75, must be fixed in advance for each quarter in accordance with the methods of calculation laid down in Commission Regulation (EEC) No 2083/87 of 15 July 1987 fixing the levies and sluice-gate prices on pigmeat (3);

Whereas, since sluice-gate prices and levies for pigmeat were last fixed by Commission Regulation (EEC) No 122/88 (4) for the period 1 February to 30 April 1988, they must be fixed anew for the period 1 May to 31 July 1988; whereas such prices and levies should in principle be fixed by reference to feed grain prices for the period 1 November 1987 to 31 March 1988;

Whereas, when the sluice-gate price applicable from 1 November, 1 February and 1 May is being fixed, trends in world market prices for feed grain are to be taken into account only if the value of the quantity of feed grain required varies by at least a specified minimum in relation to that used in calculating the sluice-gate price for the preceding quarter; whereas this minimum was fixed by Council Regulation (EEC) No 2766/75 (5), as last amended by Regulation (EEC) No 3906/87, at 3 %;

Whereas the value of the quantity of feed grain varies by more than 3 % from that used for the preceding quarter; whereas trends in world market prices for feed grain must therefore be taken into account when fixing sluice-gate prices for the period 1 May to 31 July 1988;

Whereas, when the levies applicable from 1 November, 1 February and 1 May are being fixed, trends in world market prices for feed grain should be taken into account only if at the same time a new sluice-gate price is being fixed;

Whereas, since a new sluice-gate price has been fixed trends in world market prices for feed grain must be taken into account in fixing the levies;

Whereas, in the case of pigment products, in respect of which the rate of duty has been bound within GATT, the levies should be limited to the amounts resulting from that binding;

Whereas Commission Regulation (EEC) No 616/86 of 28 February 1986 on the application of import levies on pigmeat products from Portugal (6) suspended the application of import levies on pigmeat products from Portugal owing to the minimal difference between the prices obtaining in the Community on the one hand and in Portugal on the other hand; whereas the situation still pertains;

Whereas Council Regulation (EEC) No 2658/87 (7), as last amended by Regulation (EEC) No 1058/88 (8), introduced from 1 January 1988 a new 'combined nomenclature' meeting the requirements of both the Common Customs Tariff and the Community's statistics of foreign trade and replacing the previous nomenclature;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Pigmeat,

HAS ADOPTED THIS REGULATION:
