COUNCIL REGULATION (EEC) No 2076/88

of 11 July 1988

amending Regulation (EEC) No 1022/88 with regard to certain electronic typewriters assembled in the Community by Canon Bretagne SA

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 2176/84 of 23 July 1984 on protection against dumped or subsidized imports from countries not members of the European Economic Community [1], as amended by Regulation (EEC) No 1761/87 [2], and in particular Article 13 (10) thereof,

Having regard to the proposal submitted by the Commission after consultations within the Advisory Committee as provided for under the above Regulation,

Whereas:

Procedure

(1) The Council, by Regulation (EEC) No 1022/88 [3], extended the anti-dumping duty imposed by Regulation (EEC) No 1698/85 [4] to certain electronic typewriters assembled in the Community by Canon Bretagne (F), Kyushu Matsushita (UK), Sharp (UK) and Silver Reed (UK). Kyushu Matsushita subsequently offered an undertaking which was accepted by Commission Decision 88/300/EEC [5]; Regulation (EEC) No 1022/88 was amended accordingly by Council Regulation (EEC) No 1329/88 [6].

(2) In April 1988 Canon Bretagne offered a price undertaking. The Commission verified, at the premises of the company concerned, that the undertaking removed the conditions justifying the extension by Regulation (EEC) No 1022/88 of the anti-dumping duty to typewriters assembled in the Community. The undertaking also gave satisfactory assurances regarding the future sourcing of parts and materials and other aspects of Canon Bretagne's assembly operation in the Community.

(3) The Commission, after consultation, has decided to accept this undertaking.

(4) Under these circumstances, Regulation (EEC) No 1022/88 should be amended to the extent to which it concerns Canon Bretagne,

HAS ADOPTED THIS REGULATION:
