COMMISSION REGULATION (EEC) No 2441/88

of 3 August 1988

fixing the export refunds on white sugar and raw sugar exported in its unaltered state

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to the Act of Accession of Spain and Portugal,

Having regard to Council Regulation (EEC) No 1785/81 of 30 June 1981 on the common organization of the markets in the sugar sector (1), as last amended by Regulation (EEC) No 2306/88 (2), and in particular point (a) of the first subparagraph of Article 19 (4) and Article 19 (7) thereof,

Having regard to the opinion of the Monetary Committee,

Whereas Article 19 of Regulation (EEC) No 1785/81 provides that the difference between quotations or prices on the world market for the products listed in Article 1 (1) (a) of that Regulation and prices for those products within the Community may be covered by an export refund;

Whereas Council Regulation (EEC) No 766/68 of 18 June 1968 laying down general rules for granting export refunds on sugar (3), as last amended by Regulation (EEC) No 1489/76 (4), provides that when refunds on white and raw sugar, undenatured and exported in its unaltered state are being fixed account must be taken of the situation on the Community and world markets in sugar and in particular of the price and cost factors set out in Article 3 of that Regulation; whereas the same Article provides that the economic aspect of the proposed exports should also be taken into account;

Whereas the refund on raw sugar must be fixed in respect of the standard quality; whereas the latter is defined in Article 1 of Council Regulation (EEC) No 431/68 of 9 April 1968 determining the standard quality for raw sugar and fixing the Community frontier crossing point for calculating cif prices for sugar (5); whereas, furthermore, this refund should be fixed in accordance with Article 5 (2) of Regulation (EEC) No 766/68; whereas candy sugar is defined in Commission Regulation (EEC) No 394/70 of 2 March 1970 on detailed rules for granting export refunds on sugar (6), as amended by Regulation (EEC) No 1714/88 (7); whereas the refund thus calculated for sugar containing added flavouring or colouring matter must apply to their sucrose content and, accordingly, be fixed per 1 % of the said content;

Whereas the world market situation or the specific requirements of certain markets may make it necessary to vary the refund for sugar according to destination;

Whereas, in special cases, the amount of the refund may be fixed by other legal instruments;

Whereas, if the refund system is to operate normally, refunds should be calculated on the following basis:

— in the case of currencies which are maintained in relation to each other at any given moment within a band of 2,25 %, a rate of exchange based on their central rate, multiplied by the corrective factor provided for in the last paragraph of Article 3 (1) of Council Regulation (EEC) No 1676/85 (8), as last amended by Regulation (EEC) No 1636/87 (9),

— for other currencies, an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded over a given period in relation to the Community currencies referred to in the previous indent, and the aforesaid coefficient;

Whereas the refund must be fixed every two weeks; whereas it may be altered in the intervening period;

Whereas it follows from applying the rules set out above to the present situation on the market in sugar and in particular to quotations or prices for sugar within the

Whereas, following the introduction of the combined nomenclature by Council Regulation (EEC) No 2658/87 [1], the nomenclature applicable from 1 January 1988 to export refunds for agricultural products was introduced by Regulation (EEC) No 3846/87 [2], as corrected by Regulation (EEC) No 1561/88 [3]; whereas that nomenclature must be amended to adjust the fixing of refunds to market requirements, in particular having regard to the current erratic variations of quotations of the world sugar market;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Sugar,
