COMMISSION REGULATION (EEC) No 276/88

of 29 January 1988

amending Regulation (EEC) No 3587/86 fixing the conversion factors to be applied to the buying-in prices for fruit and vegetables

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 1035/72 of 18 May 1972 on the common organization of the market in fruit and vegetables (1), as last amended by Regulation (EEC) No 223/88 (2), and in particular Article 16 (4) thereof,

Whereas Council Regulation (EEC) No 223/88 includes satsumas and clementines in the list of products to which the price and intervention arrangements set out in Annex II to Regulation (EEC) No 1035/72 are applicable; whereas Commission Regulation (EEC) No 3587/86 (3) which fixed the conversion factors to be applied to the buying-in prices for products with different commercial characteristics from those used for setting the basic price, as amended by Regulation (EEC) No 1997/87 (4), should therefore be amended;

Whereas Commission Regulation (EEC) No 1730/87 of 22 June 1987 laying down quality standards for table grapes (5) defines in particular a quality class II and minimum sizings for Extra, I, II and III quality classes respectively; whereas Regulation (EEC) No 3587/86 should therefore be adjusted in the light of those new definitions;
