Whereas, pursuant to Article 8 (1) and (2) of Regulation (EEC) No 1883/78, systematic depreciaton of agricultural products in public intervention must take place when they are bought in, and whereas accordingly the Commission must determine the depreciation percentage before the beginning of each year and whereas such percentage must not exceed the difference between the buying-in price and the foreseeable disposal price for each product;

Whereas, pursuant to Article 8 (3) of Regulation (EEC) No 1883/78, the Commission may, at its discretion, restrict depreciation at the time of buying in to a proportion of this depreciation percentage, but such proportion may not be less than 70 % ; whereas, on the basis of this provision, coefficients to be applied by the intervention agencies to the monthly buying-in values of products should be fixed, to enable the agencies to establish the depreciation amounts ;
