COMMISSION REGULATION (EEC) No 3034/88

of 30 September 1988

amending Regulation (EEC) No 1725/79 in regard to certain provisions applying to the granting of aid for skimmed-milk powder for use as animal feed

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 804/68 of 27 June 1968 on the common organization of the market in milk and milk products [1], as last amended by Regulation (EEC) No 1109/88 [2], and in particular Article 10 (3) thereof,

Whereas pursuant to Article 4 (1) of Commission Regulation (EEC) No 1725/79 [3], as last amended by Regulation (EEC) No 1543/88 [4], aid is not granted for skimmed-milk powder processed into compound feed unless the finished product incorporates at lest 45 % by weight of such powder; whereas as a result of change in the market situation for skimmed milk it seems appropriate not to fix a minimum level of incorporation.

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Milk and Milk Products,

HAS ADOPTED THIS REGULATION:

Article 1

Article 4 (1) of Regulation (EEC) No 1725/79 is hereby amended as follows:

1. in point (a) of the first subparagraph, '45 kilograms at least and' is omitted;

2. the third subparagraph is omitted.

Article 2

This Regulation shall enter into force on the day of its publication in the *Official Journal of the European Communities.*

It shall apply with effect from 1 October 1988.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 30 September 1988.

For the Commission

Frans ANDRIESSEN

Vice-President
