COUNCIL REGULATION (EEC) No 3469/88

of 7 November 1988

amending Regulation (EEC) No 2203/82 laying down general rules for the granting of a carry-over premium for certain fishery products

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 3796/81 of 29 December 1981 on the common organization of the market in fishery products (1), as last amended by Regulation (EEC) No 3468/88 (2), and in particular Article 14 (6) thereof,

Having regard to the proposal from the Commission,

Whereas Article 14 of Regulation (EEC) No 3796/81 provides that, subject to certain conditions, a carry-over premium may be granted in respect of the processing and storage, with a view to human consumption, of some of the products which are listed in Annex I (A) and (D) to the abovementioned Regulation and which have been withdrawn from the market at the Community withdrawal price;

Whereas Regulation (EEC) No 2203/82 (3) last amended by Regulation (EEC) No 3940/87 (4), determines the species which may qualify for the carry-over premium;

Whereas, because of the special difficulties encountered in the herring and mackerel sector, provision should be made for measures to improve the situation in that sector;

Whereas the processing and storage of herring and mackerel are likely to encourage consumption of these species and to increase the availability of certain qualities of herring for a longer period of the year; whereas it would appear necessary to include the two species in the carry-over premium scheme;

Whereas, therefore, Regulation (EEC) No 2203/82 should be amended accordingly,

HAS ADOPTED THIS REGULATION:

Article 1
