COMMISSION REGULATION (EEC) No 3935/88

of 16 December 1988

amending Regulation (EEC) No 637/86 fixing the quantitative restrictions on imports into Portugal of certain fruit and vegetables from third countries

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to the Act of Accession of Spain and Portugal,

Having regard to Council Regulation (EEC) No 3797/85 of 20 December 1985 laying down detailed rules concerning quantitative restrictions on imports into Portugal from third countries of certain agricultural products subject to the system of transition by stages [1], as amended by Regulation (EEC) No 222/88 [2], and in particular Article 3 (1) thereof,

Whereas Article 280 of the Act of Accession provides that Portugal may maintain quantitative restrictions on imports from third countries of certain agricultural products until 31 December 1995; whereas Commission Regulation (EEC) No 637/86 [3], as last amended by Regulation (EEC) No 3942/87 [4], fixes, by volume, the quotas applicable in Portugal in respect of certain fruit and vegetables from third countries;

Whereas an increase of 10 % in the quotas for 1988 is not likely to cause disruption on the Portuguese market; whereas the volume of the quotas for 1989 should therefore be fixed accordingly;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Fruit and Vegetables,

HAS ADOPTED THIS REGULATION:

Article 1

Regulation (EEC) No 637/86 is hereby amended as follows:

1. in Article 1 (1), 'for 1988' is replaced by 'for 1989';
2. the Annex is replaced by the Annex to this Regulation.

Article 2

This Regulation shall enter into force on 1 January 1989.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 16 December 1988.
