COMMISSION REGULATION (EEC) No 4012/88

of 21 December 1988

amending Regulation (EEC) No 3418/88 fixing the free-at-frontier reference prices applicable to imports of certain wine products with effect from 1 September 1988

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 822/87 of 16 March 1987 on the common organization of the market in wine (1), as last amended by Regulation (EEC) No 2964/88 (2), and in particular Article 54 (8) thereof,

Whereas, pursuant to the cooperation agreements which the Community has concluded with certain Mediterranean third countries, reduced free-at-frontier reference prices were fixed in Commission Regulation (EEC) No 3418/88 (3) for wine originating in such countries and put up in containers holding not more than two litres within the limit of the annual quotas; whereas those agreements provide for a further reduction in prices from 1 January 1989 for Algeria, Tunisia and Yugoslavia; whereas the free-at-frontier reference prices must be fixed at the corresponding level;

Whereas Article 21 (4) of the Cooperation Agreement between the European Economic Community and the Kingdom of Morocco (4), as amended with effect on 1 October 1988 by the Additional Protocol of 26 May 1988 (5), provides for a reduced reference price for wine originating in Marocco to be fixed at the same level as that fixed for the abovementioned countries; whereas that reduced price is applicable to wine put up in containers holding not more than two litres subject to an annual ceiling of 10 000 hectolitres; whereas the list of reference prices should therefore be supplemented;

Whereas the application of additional note 3 (B) of Chapter 22 of the combined nomenclature should be made clearer in order to ensure uniform interpretation,

HAS ADOPTED THIS REGULATION:

Article 1

The Annex to Regulation (EEC) No 3418/88 is hereby replaced by the Annex hereto.

Article 2

This Regulation shall enter into force on 1 January 1989.

At the request of the party concerned, it shall apply from 1 October 1988 onwards as far as the lower reference prices fixed for wines falling within CN code 2204 21 and originating in Morocco are concerned.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 21 December 1988.

(1) The reference price shall be increased by ECU 1 per % vol actual alcoholic strength per hectolitre when the wine is imported into the French overseas department of Réunion.

(2) If the total dry extract of a product exceeds the maximum quantities set out in additional note 3 (B) of Chapter 22 of the combined nomenclature, the product is to be classified in the higher category of the combined nomenclature, the reference price to be applied being that of the new code. Where the new CN code has several additional codes, the first thereof will apply.'
