COMMISSION REGULATION (EEC) No 507/88

of 25 February 1988

amending Regulation (EEC) No 1481/86 on the determination of prices of fresh or chilled sheep carcases on representative Community markets and the survey of prices of certain other qualities of sheep carcases in the Community

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 1837/80 of 27 June 1980 on the common organization of the market in sheepmeat and goatmeat (1), as last amended by Regulation (EEC) No 3908/87 (2), and in particular Article 4 thereof,

Whereas Commission Regulation (EEC) No 1481/86 (3), as last amended by Regulation (EEC) No 3679/87 (4), provides that the price recorded on the representative market or markets of each Member State is established using weighting coefficients reflecting the relative importance of each category coming onto each market;

Whereas in Belgium the category 'agneaux extra' should be replaced by the category 'agneaux de boucherie — slachtlammeren' which is more representative of production;

Whereas in Ireland the representative market at Nenagh has closed; whereas many of the lambs which would normally have come onto the Nenagh market are now sent to Camolin; whereas, in the light of the volume of transactions recorded there, Camolins should be recognized as a representative market;

Whereas in the Netherlands, the representative market at Harlingen has closed; whereas due to the level of transactions recorded there, the market at Sluis should be recognized as a representative market; whereas due to the low level of transactions recorded at the representative markets at Bodegraven and Nieuwekerk a/d Ijssel and to the level of transactions recorded at the market at Amsterdam these markets should be grouped together for the purposes of price reporting as the representative market Kleinere Slachterijen;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Sheep and Goats,

HAS ADOPTED THIS REGULATION:

Article 1

1. In Annex II A and Annex III A to Regulation (EEC) No 1481/86 'agneaux extra' is replaced by 'agneaux de boucherie — slachtlammeren';
