# COUNCIL REGULATION (EEC) No 668/88

**of 2 February 1988**

**amending Regulation (EEC) No 2072/84 on common rules for imports of certain textile products originating in the People's Republic of China**

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular Article 113 thereof,

Having regard to the proposal from the Commission,

Whereas by Regulation (EEC) No 2072/84 [1], as last amended by Regulation (EEC) No 628/87 [2], the Council made imports of certain textile products originating in China subject to common rules until 1988;

Whereas once the International Convention on the Harmonized Commodity Description and Coding System enters into force, textile products will be classified according to the said system and to the Community nomenclatures based thereon;

Whereas Council Regulation (EEC) No 2658/87 of 23 July 1987 on the tariff and statistical nomenclature and on the Common Customs Tariff [3] introduced on 1 January 1988 a goods nomenclature, known as the combined nomenclature (CN), which satisfies in particular the needs of the statistics of external trade of the Community; whereas the textile products covered by the Agreements should therefore be classified according to the combined nomenclature; whereas provision should be made for the importation and entry for free circulation in the Community, from 1 January 1988, of certain textile products shipped from China before that date, the classification of which will be altered by the entry into force of the combined nomenclature;

Whereas Regulation (EEC) No 2072/84 should therefore be amended accordingly,

HAS ADOPTED THIS REGULATION:

*Article 1*

Regulation (EEC) No 2072/84 is hereby amended as follows:

1. Article 1 (2) is replaced by the following:

'2. The classification of products listed in Annex I shall be based on the combined nomenclature (CN), without prejudice to Article 3 (6). The procedures for the application of this paragraph are laid down in Annex V.'

2. Article 3 (6) is replaced by the following:

'6. The definition of quantitative limits laid down in Annex III and the categories of product to which they apply shall be adapted in accordance with the procedure laid down in Article 16 where this proves necessary to ensure that any subsequent amendment to the combined nomenclature (CN) or any decision amending the classification of such products does not result in a reduction of such quantitative limits.'

3. The following two paragraphs are added to Article 3:

'7. The quantitative limits laid down in this Article shall not apply to products which were not subject to quantitative import limits before 1 January 1988 and which, as a result of the entry into force of the combined nomenclature (CN), will from that date be classified in one or more of the categories of products referred to in Annex III.

This provision shall apply only to products shipped from China to the Community before 1 January 1988.

8. Entry for free circulation of products falling within one or more categories of products, the importation of which was subject to a quantitative limit before 1 January 1988, shall continue under the same import conditions as before that date even if, as a result of the entry into force of the combined nomenclature (CN), those products are classified in a different category.

This provision shall apply only to products shipped from China to the Community before 1 January 1988.'

4. The second subparagraph of Article 13 (2) is replaced by the following:

'For the textile products listed in Annexes I and II, Member States shall notify the Commission monthly, within 30 days of the end of each month, of the total quantities imported during that month, indicating the
