COUNCIL REGULATION (EEC) No 669/88

of 2 February 1988

amending Regulation (EEC) No 4135/86 on rules for imports of certain textile products originating in Yugoslavia

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular Article 113 thereof,

Having regard to the proposal from the Commission,

Whereas Council Regulation (EEC) No 4135/86 [1] made imports of certain textile products originating in Yugoslavia subject to common rules until 1991;

Whereas the Additional Protocol to the Cooperation Agreement between the Community and the Socialist Federal Republic of Yugoslavia concerning trade in textile products [2] provides that as soon as the International Convention on the Harmonized Commodity Description and Coding System enters into force textile products are to be classified according to the said System and to the Community nomenclatures based thereon;

Whereas Council Regulation (EEC) No 2658/87 of 23 July 1987 on the tariff and statistical nomenclature and on the Common Customs Tariff [3] introduced on 1 January 1988 a goods nomenclature, known as the combined nomenclature (CN), which satisfies in particular the needs of the statistics of external trade of the Community; whereas the textile products covered by the Additional Protocol should therefore be classified according to the combined nomenclature; whereas provision should be made for the importation and entry for free circulation in the Community from 1 January 1988 of certain textile products consigned by supplier countries before that date, the classification of which will be altered by the entry into force of the combined nomenclature;

Whereas the quantitative limits should be allocated among Member States for the period 1988 to 1991;

Whereas Regulation (EEC) No 4135/86 should therefore be amended accordingly,

HAS ADOPTED THIS REGULATION:

Article 1

Regulation (EEC) No 4135/86 is hereby amended as follows:

1. Article 1 (2) is replaced by the following:

'2. The classification of products listed in Annex I shall be based on the combined nomenclature (CN), without prejudice to Article 3 (7). The procedures for the application of this paragraph are laid down in Annex V.'

2. The following subparagraph is added to Article 3 (2):

'The allocation of these quantitative limits among the Member States for the years 1988 to 1991 is set out in Annex III *bis*.'

3. Article 3 (7) is replaced by the following:

'7. The definition of quantitative limits laid down in Annex II and the categories of products to which they apply shall be adapted in accordance with the procedure laid down in Article 14 where this proves necessary to ensure that any subsequent amendment to the combined nomenclature (CN) or any decision amending the classification of such products does not result in a reduction of such quantitative limits.'

4. The two following paragraphs are added to Article 3:

'8. The quantitative limits laid down in this Article shall not apply to products which were not subject to quantitative import limits before 1 January 1988 and which, as a result of the entry into force of the combined nomenclature (CN), will from that date be classified in one or more of the categories of products referred to in Annex II.

This provision shall apply only to products consigned by Yugoslavia to the Community before 1 January 1988.

9. Entry for free circulation of products falling within one or more categories of products, the importation of which was subject to a quantitative limit before 1 January 1988, shall continue under the same import conditions as before that date where, as a result of the entry into force of the combined nomenclature (CN), those products are classified in a different category.

This provision shall apply only to products consigned by Yugoslavia to the Community before 1 January 1988.'

5. Article 11 (2) is replaced by the following:

'2. In respect of the products listed in Annex I, Member States shall notify the Commission monthly, within 30 days of the end of each month, of the total

quantities imported during that month, indicating the combined nomenclature code and using the units and, where appropriate, the supplementary units, used in that code. Imports shall be broken down according to the statistical procedures in force.'

6. Annex I is replaced by that appearing in Annex I to this Regulation.

7. Annex III *bis* appearing in Annex II to this Regulation is added.

8. Annex V is replaced by that appearing in Annex III to this Regulation.

9. For the years 1988 to 1991, the combined nomenclature codes contained in column 2 of the new Annex I replace the Common Customs Tariff numbers and NIMEXE codes contained in columns (2) and (3) of Annex II.

Article 2

This Regulation shall enter into force on the day following that of its publication in the *Official Journal of the European Communities*.

It shall apply with effect from 1 January 1988.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

ANNEX III

'ANNEX V

PART I

Classification

Article 1

The classification of the textile products referred to in Article 1 (1) of this Regulation is based on the combined nomenclature.

Article 2

On the initiative of the Commission or of a Member State, the Nomenclature Committee, which was established by Council Regulation (EEC) No 2658/87 [1] will examine urgently, in conformity with the provisions of the aforementioned Regulation, all questions concerning the classification of products referred to in Article 1 (1) of this Regulation within the combined nomenclature (CN) in order to classify them in the appropriate categories.

Article 3

The Commission shall inform Yugoslavia of any changes in the combined nomenclature (CN) on their adoption by the competent authorities of the Community.

Article 4

The Commission shall inform the competent authorities of Yugoslavia of any decisions adopted in accordance with the procedures in force in the Community relating to the classification of products subject to the present Regulation, within one month at the latest of their adoption. Such communications shall include:

(a) a description of the products concerned;

(b) the relevant category, and the combined nomenclature code (CN code);

(c) the reasons which have led to the decision.

Article 5

1. Where a classification decision adopted in accordance with current Community procedures results in a change of classification practice or a change in category of any product subject to the present Regulation, the competent authorities of the Member States shall provide 30 days' notice, from the date of the Community's notification, before the decision is put into effect.

2. Products shipped before the date of the application of the decision shall remain subject to earlier classification practice, provided that the goods in question are entered for importation within 60 days of that date.

Article 6

Where a classification decision adopted in accordance with the established Community procedures referred to in Article 5 of this Annex involves a category of products subject to a quantitative limit, the Commission shall, without delay, initiate consultation with Yugoslavia in accordance with Article 13 of the present Regulation, in order to reach an agreement on the necessary adjustments to the relative quantitative limits provided for in Annex II to this Regulation.

Article 7

1. Without prejudice to any other provision on this subject, where the classification indicated in the documentation necessary for importation of the products covered by this Regulation differs from the classification determined by the competent authorities of the Member State into which they are to be imported, the goods in question are provisionally subject to the import regime which, in accordance with the provisions of the present Regulation, is applicable to them on the basis of the classification determined by the aforementioned authorities.

2. Member States shall inform the Commission without delay of the cases referred to in paragraph 1 and the Commission shall notify the competent authorities of the supplying countries of the details of the case in question.

3. Member States, at the time of the communication referred to in paragraph 2, shall specify if, following the application of the provisions of paragraph 1, the quantities of the products which are the subject of divergence have been provisionally debited against a quantitative limit laid down for a category of products other than that indicated in the export licence referred to in Article 11 of this Annex.

4. The Commission shall notify the competent authorities of Yugoslavia of the provisional debits referred to in paragraph 3, within 30 days of the date of such provisional debit.

Article 8

In the cases referred to in Article 7 of this Annex as well as in those cases of a similar nature raised by the competent authorities of the supplying countries, the Commission, if necessary, and in accordance with the procedure provided for in Article 14 of this Regulation, shall enter into consultation with Yugoslavia in order to reach an agreement on the classification to be definitively applicable for the products causing the divergence.

[1] OJ No L 256, 7. 9. 1987, p. 1.

Article 9

The Commission, in agreement with the competent authorities of the Member State or States of importation and of Yugoslavia, may, in the cases referred to in Article 8 of this Annex, determine the classification definitively applicable to the products causing the divergence.

Article 10

When a case of divergence referred to in Article 7 cannot be resolved in accordance with Article 9 the Nomenclature Committee is required, in accordance with the provisions of the Regulation setting up the aforesaid Committees, to establish the classification definitively applicable to the goods concerned.
