COUNCIL REGULATION (EEC) No 885/88

of 28 March 1988

temporarily suspending the autonomous Common Customs Tariff duty on an industrial product

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular Article 28 thereof,

Having regard to the proposal from the Commission,

Whereas production of the product, falling within CN codes ex 3920 10 11 and ex 3920 10 19, is at present inadequate or non-existent within the Community and producers are thus unable to meet the needs of user industries in the Community;

Whereas it is in the Community's interest to suspend the autonomous Common Customs Tariff duty for the product in question completely;

Whereas, taking account of the difficulties involved in accurately assessing the development of the economic situation in the sector concerned in the near future, this suspension measure should be taken only temporarily, by fixing the period of validity by reference to the interest of Community production,

HAS ADOPTED THIS REGULATION:

Article 1

The autonomous Common Customs Tariff duty for the product, falling within CN codes ex 3920 10 11 and ex 3920 10 19, shall be suspended at the level shown in the Annex.

This suspension shall be valid from 1 April to 30 June 1988.

Article 2

This Regulation shall enter into force on 1 April 1988.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 28 March 1988.

For the Council

The President

I. KIECHLE
