COMMISSION REGULATION (EEC) No 910/88

of 6 April 1988

fixing the quotas for 1988 to be opened by Spain for certain wine-sector products from third countries

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to the Act of Accession of Spain and Portugal,

Having regard to Council Regulation (EEC) No 491/86 of 25 February 1986 laying down detailed rules concerning quantitative restrictions on imports into Spain of certain agricultural products from third countries [1], as amended by Regulation (EEC) No 222/88 [2], and in particular Article 3 (1) thereof,

Whereas Article 77 of the Act of Accession provides that Spain may apply quantitative restrictions to imports from third countries until 31 December 1995; whereas such restrictions affect wine-sector products subject to the supplementary trade mechanism; whereas the easing of the operation of the system decided by Commission Regulation (EEC) No 53/88 [3], laying down certain detailed rules for the application of the supplementary trade mechanism to wine sector products does not however substantially alter the quantities governed by the quota system; whereas the quotas for 1988 should consequently be fixed taking account in particular of the quotas for 1987 and of trade recorded; whereas an increase of 10 % by comparison with the quota fixed for 1987 by Commission Regulation (EEC) No 35/87 [4], appears adequate;

Whereas provision should be made for notifying the Commission of imports into Spain of the said products under the quotas fixed and of the measures adopted by that Member State for the application of those quotas;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Wine,

HAS ADOPTED THIS REGULATION:
