COMMISSION REGULATION (EEC) No 1034/89

of 20 April 1989

fixing the amount of the subsidy on oil seeds

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to the Act of Accession of Spain and Portugal,

Having regard to Regulation No 136/66/EEC of the Council of 22 September 1966 on the establishment of a common organization of the market in oils and fats [1], as last amended by Regulation (EEC) No 2210/88 [2], and in particular Article 27 (4) thereof,

Having regard to Council Regulation (EEC) No 1678/85 of 11 June 1985 fixing the conversion rates to be applied in agriculture [3], as last amended by Regulation (EEC) No 957/89 [4],

Having regard to Regulation (EEC) No 1569/72 of the Council of 20 July 1972 laying down special measures for colza, rape and sunflower seed [5], as last amended by Regulation (EEC) No 2216/88 [6], and in particular Article 2 (3) thereof,

Having regard to the opinion of the Monetary Committee,

Whereas the amount of the subsidy referred to in Article 27 of Regulation No 136/66/EEC was fixed by Commission Regulation (EEC) No 682/89 [7], as last amended by Regulation (EEC) No 964/89 [8];

Whereas it follows from applying the detailed rules contained in Regulation (EEC) No 682/89 to the information known to the Commission that the amount of the subsidy at present in force should be altered to the amount set out in the Annexes hereto;

Whereas, in the absence of the target price for the 1989/90 marketing year for colza, rape and sunflower seed, the abatement of the subsidy from the system of maximum guaranteed quantities, the amount of the subsidy in the case of advance fixing for this period for colza, rape and sunflower seed has been obtainable only provisionally on the basis of the latest proposals from the Commission to the Council on price and abatement; whereas this amount may, therefore, be applied on a temporary basis and should be confirmed or replaced to take account of indicative prices for the 1989/1990 marketing year and the application of the system of maximum guaranteed quantities,

HAS ADOPTED THIS REGULATION:

Article 1

1. The amount of the subsidy and the exchange rate referred to in Article 33 (2) and (3) of Commission Regulation (EEC) No 2681/83 [9] are as set out in the Annexes hereto.

2. The amount of the compensatory aid referred to in Article 14 of Council Regulation (EEC) No 475/86 [10] is as set out in Annex III for sunflower seed harvested in Spain.

3. The amount of the special subsidy provided for by Council Regulation (EEC) No 1920/87 [11] for sunflower seed harvested and processed in Portugal is as set out in Annex III.

4. However, the amount of the subsidy in the case of advance fixing for the 1989/90 marketing year for colza, rape and sunflower seed will be confirmed or replaced as from 21 April 1989 to take into account the target price, and where appropriate, the application of the system of maximum guaranteed quantities.

Article 2

This Regulation shall enter into force on 21 April 1989.
