COMMISSION REGULATION (EEC) No 1154/89

of 28 April 1989

on transitional measures concerning the application of certain monetary compensatory amounts

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Commission Regulation (EEC) No 3156/85 of 11 November 1985 on transitional measures concerning the application of certain monetary compensatory amounts in the trade of certain Member States [1], as amended by Regulation (EEC) No 3521/88 [2], and in particular Article 11 thereof,

Whereas Regulation (EEC) No 3156/85 lays down a framework for measures intended to prevent artificial traffic at the time of changes in the monetary compensatory amounts;

Whereas Council Regulation (EEC) No 1129/89 [3] fixes the new agricultural conversion rates taking effect on 1 May 1989 for milk and milk products and for beef and veal;

Whereas those new rates have resulted in a considerable change in the scale of monetary compensatory amounts applicable in particular in Greece and the United Kingdom;

Whereas in view of this situation, speculative movements are likely to occur and deflect trade;

Whereas, in order to prevent such deflections, for products likely to be subject to such speculation, provision should be made for the monetary compensatory amounts applicable to the products concerned before those new rates are fixed to remain applicable for a limited period beyond that date; whereas the dates and the products in question must be determined in the light of the specific conditions governing the marketing of such products;

Whereas the measures provided for in this Regulation are in accordance with the opinions of the management committees concerned,

HAS ADOPTED THIS REGULATION:
