COMMISSION REGULATION (EEC) No 1360/89

of 19 May 1989

amending Regulations (EEC) No 1852/88 and (EEC) No 4103/88 fixing the monetary compensatory amounts applicable in the agricultural sector and certain coefficients and rates required for their application

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 1677/85 of 11 June 1985 on monetary compensatory amounts in agriculture (1), as last amended by Regulation (EEC) No 1889/87 (2), and in particular Article 12 thereof,

Whereas the monetary compensatory amounts established by Regulation (EEC) No 1677/85 were fixed by Commission Regulation (EEC) No 1852/88 (3), as last amended by Regulation (EEC) No 4013/88 (4), and by Commission Regulation (EEC) No 4103/88 (5), as last amended by Regulation (EEC) No 1128/89 (6);

Whereas in Part 1 of Annex I to Regulation (EEC) No 4103/88, the products corresponding to additional code 7294 opposite CN codes 1108 11 00, 1108 12 00, 1108 14 00 and 1108 19 90 and to additional code 7296 opposite CN code 1108 13 00 have by definition a starch content exceeding a certain percentage by weight; whereas the monetary compensatory amounts for those tariff headings are defined without it being necessary to take into account the declaration of the starch content provided for by footnote '(1)' for the products in question; whereas, in order to simplify administrative procedures, that footnote should be deleted and the obligation to declare the starch contents for the products in question should be abolished;

Whereas Commission Regulation (EEC) No 1550/88 (7) introduces monetary compensatory amounts for the products corresponding to additional codes 7633 and 7634 opposite CN code 1905 40 00; whereas, for the other products covered by CN code 1905 40 00, no monetary compensatory amounts are applied; whereas the wording in Table 19-3 in the Appendix to Annex I to Regulation (EEC) No 1852/88 and in Regulation (EEC) No 4103/88 may lead to confusion as regards the products in question, whereas Table 19-3 should be amended to clear up the situation;

Whereas the measures provided for in this Regulation are in accordance with the opinions of the management committees concerned,

HAS ADOPTED THIS REGULATION:

Article 1

In Part 1 of Annex I to Regulation (EEC) No 4103/88, footnote '(1)' is deleted in respect of additional code 7294 opposite CN codes 1108 11 00, 1108 12 00, 1108 14 00 and 1108 19 90 and in respect of additional code 7296 opposite CN code 1108 13 00.
