COMMISSION REGULATION (EEC) No 1461/89

of 26 May 1989

fixing the accession compensatory amounts applicable to cereals for the 1989/90 marketing year and the coefficient to be used for calculating the amounts applicable to processed products

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to the Act of Accession of Spain and Portugal,

Having regard to Council Regulation (EEC) No 467/86 of 25 February 1986 laying down general rules for the system of accession compensatory amounts for cereals on account of the accession of Spain (1), and in particular Article 7 thereof,

Whereas, in accordance with Article 72 (1) of the Act of Accession, accession compensatory amounts are to be equal to the difference between the prices fixed for Spain and the intervention prices applying in the Community as constituted at 31 December 1985, those latter prices constituting the guarantee to the producer; whereas, however, following the amendments to the intervention arrangements provided for in Regulation (EEC) No 2727/75 of the Council of 29 October 1975 on the common organization of the market in cereals (2), as last amended by Regulation (EEC) No 1213/89 (3), buying in is to be carried out at a level lower than the intervention price; whereas that level, which henceforward constitutes the actual guarantee to the producer, must accordingly serve as a basis for calculating the accession compensatory amounts;

Whereas, in view of the alignment from 1 July 1989 of Spanish prices on Community prices for all cereals with the exception of durum wheat, accession compensatory amounts should only be fixed for the latter cereal and for meal;

Whereas, in accordance with Article 111 (3) of the Act of Accession, the accession compensatory amounts applicable to processed products are to be derived from those applicable to the products to which they are related, with the help of coefficients to be determined; whereas those coefficients must be fixed taking account of the fact that the accession compensatory amounts apply to imports, to exports and in trade between the Community as constituted at 31 December 1985 and Spain;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Cereals,

HAS ADOPTED THIS REGULATION:
