COMMISSION REGULATION (EEC) No 1948/89

of 30 June 1989

authorizing certain intervention agencies to put up for sale by tender 200 000 tonnes of common wheat for export in the form of flour

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 2727/75 of 29 October 1975 on the common organization of the market in cereals (1), as last amended by Regulation (EEC) No 1834/89 (2), and in particular Article 7 (5) thereof,

Whereas Article 3 of Council Regulation (EEC) No 1581/86 of 23 May 1986 laying down general rules for intervention on the market in cereals (3), as amended by Regulation (EEC) No 195/89 (4), provides that the sale of cereals held by intervention agencies must be by invitation to tender;

Whereas Commission Regulation (EEC) No 1836/82 (5), as last amended by Regulation (EEC) No 2418/87 (6), lays down the procedure and conditions for the disposal of cereals held by intervention agencies;

Whereas, in the southern regions of the Community, the common wheat harvest is available as from the beginning of the marketing year; whereas, in the northern regions of the Community, the common wheat harvest is not available before August; whereas, as a result, millers working for export in the north of Europe do not enjoy the same supply conditions; whereas, for the sake of fairness, provision should be made for supplies to the latter in July from intervention stocks at terms competitive with the market prices for the new harvest;

Whereas a conversion rate should be set to determine the quantity of flour to be exported on the basis of the common wheat used;

Whereas, to ensure that the operation is carried out smoothly, it should be stipulated that securities may be released only after completion of customs export formalities to avoid any disturbance of the market;

Whereas the Member States are to take all additional measures compatible with the provisions in force to ensure that the scheme operates smoothly and that the Commission is kept informed;

Whereas the Management Commitee for Cereals has not delivered an opinion within the time limit set by its Chairman,

HAS ADOPTED THIS REGULATION:
