COMMISSION REGULATION (EEC) No 2088/89

of 12 July 1989

amending Regulation (EEC) No 1445/76 specifying the different varieties of *Lolium perenne* L.

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Regulation (EEC) No 2358/71 of the Council of 26 October 1971 on the common organization of the market in seeds (1), as last amended by Regulation (EEC) No 1239/89 (2), and in particular Article 3 (5) thereof,

Whereas Commission Regulation (EEC) No 1445/76 (3), as last amended by Regulation (EEC) No 2278/88 (4), listed the varieties of *Lolium perenne* L. of high persistence, late or medium late, and of *Lolium perenne* L. of low persistence, medium late, medium early or early, within the meaning of the provisions adopted pursuant to Article 3 of Regulation (EEC) No 2358/71;

Whereas, since the last amendment of Regulation (EEC) No 1445/76, certified seed of certain varieties of *Lolium perenne* L. is no longer marketed, while certified seed of other varieties has appeared on the market and will be marketed for the first time during the 1989/90 marketing year; whereas, furthermore, the application of the classification criteria to certain varieties of *Lolium perenne* L. results in their inclusion in one of the abovementioned lists; whereas the Annexes to Regulation (EEC) No 1445/76 should therefore be amended accordingly;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Seeds,

HAS ADOPTED THIS REGULATION:

Article 1

Annexes I and II to Regulation (EEC) No 1445/76 are hereby replaced by the Annexes to this Regulation.

Article 2

This Regulation shall enter into force on the third day following its publication in the *Official Journal of the European Communities.*

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 12 July 1989.
