COMMISSION REGULATION (EEC) No 2225/89

of 24 July 1989

on arrangements for imports to France of certain products (category 20) originating in the Philippines

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 4136/86 of 22 December 1986 on common rules for imports of certain textile products originating in third countries (1), as last amended by Regulation (EEC) No 768/89 (2), and in particular Article 11 thereof,

Whereas Article 11 of Regulation (EEC) No 4136/86 lays down the conditions under which quantitative limits may be established; whereas imports into France of textile products of category 20 specified in the Annex hereto and originating in Thailand exceeded the level referred to in paragraph 3 of the said Article 11;

Whereas, in accordance with paragraph 5 of the said Article 11 of Regulation (EEC) No 4136/86, Thailand was notified on 2 May 1989 of a request for consultations;

Whereas, pending a mutually satisfactory solution, imports into France of products falling within category 20 originating in Thailand were submitted to a provisional quantitative restriction for the period 2 May to 1 August 1989 by Commission Regulation (EEC) No 1366/89 (3);

Whereas in consultations held on 6 and 7 July 1989 it was agreed that imports of the textile products in question should be subject to a quantitative limit for the period 7 July to 31 December 1989 and for the years 1990 to 1991;

Whereas paragraph 13 of the said Article 11 of Regulation (EEC) No 4136/86 ensures that the quantitative limits are observed by means of a double-checking system in accordance with Annex VI to the said Regulation;

Whereas the products in question exported from Thailand to France between 7 July 1989 and the date of entry into force of this Regulation must be set off against the quantitative limit which has been introduced for the period 7 July to 31 December 1989;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Textiles Committee,

HAS ADOPTED THIS REGULATION:

Article 1

Without prejudice to the provisions of Article 2, imports into France of the category of products originating in Thailand and specified in the Annex hereto shall be subject to the quantitative limit set out therein.

Article 2

1. Products as referred to in Article 1, shipped from Thailand to France before the date of entry into force of Regulation (EEC) No 1366/89, and not yet released for free circulation, shall be so released subject to the presentation of a bill of lading or other transport document proving that shipment actually took place before that date.

2. Imports of such products shipped from Thailand, to France after the entry into force of Regulation (EEC) No 1366/89 shall continue to be subject to the double-checking system described in Annex VI to Regulation (EEC) No 4136/86.

3. All quantities of products shipped from Thailand to France from 7 July 1989 and released for free circulation shall be deducted from the quantitative limit for 1989. This limit shall not, however, prevent the importation of products covered by it, but shipped from Thailand to France before the entry into force of Regulation (EEC) No 1366/89.

Article 3

Regulation (EEC) No 1366/89 is hereby repealed.

Article 4
