# COMMISSION REGULATION (EEC) No 2356/89

## of 31 July 1989

## fixing the maximum buying-in price and the quantities of beef bought in for the fourth partial invitation to tender under Regulation (EEC) No 1627/89

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 805/68 of 27 June 1968 on the common organization of the market in beef and veal (1), as last amended by Regulation (EEC) No 571/89 (2), and in particular Article 6 (7) thereof,

Whereas, pursuant to Commission Regulation (EEC) No 859/89 of 29 March 1989 laying down detailed rules for the application of intervention measures in the beef and veal sector (3), an invitation to tender was opened for category A by Commission Regulation (EEC) No 1627/89 of 9 June 1989 on the buying-in of beef by invitation to tender (4), as amended by Regulation (EEC) No 2206/89 (5);

Whereas, pursuant to Commission Regulation (EEC) No 2239/89 of 25 July 1989 further transitional measures to support the beef market in Spain (6), forequarters are bought in Spain instead of carcases as provided for in Regulation (EEC) No 859/89; whereas the maximum price for such products should be fixed separately;

Whereas, in accordance with Article 11 (1) of Regulation (EEC) No 859/89, a maximum buying-in price is to be fixed for quality R3, where appropriate, for each partial invitation to tender in the light of the tenders received; whereas, in accordance with Article 12 of that Regulation, only tenders lower than or equal to the maximum price are to be accepted;

Whereas, after the tenders submitted for the fourth partial invitation to tender have been examined and taking account, pursuant to Article 6 (1) of Regulation (EEC) No 805/68, of the requirements for reasonable support of the market and the seasonal trend in slaughterings, the maximum buying-in price and the quantities which may be accepted into intervention should be fixed;

Whereas quantities offered currently exceed those which may be bought in; whereas a reduction coefficient should accordingly be applied, in accordance with Article 11 (3) of Regulation (EEC) No 859/89, to the quantities which may be bought in;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Beef and Veal,
