COMMISSION REGULATION (EEC) No 2544/89

of 22 August 1989

on transitional measures concerning the application of certain monetary compensatory amounts in respect of the wine sector

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Commission Regulation (EEC) No 3156/85 of 11 November 1985 on transitional measures concerning the application of certain monetary compensatory amounts in the trade of certain Member States (1), as amended by Regulation (EEC) No 3521/88 (2), and in particular Article 11 thereof,

Whereas Regulation (EEC) No 3156/85 laid down a framework for measures, intended to prevent artificial traffic at the time of changes in the monetary compensatory amounts;

Whereas new agricultural conversion rates have been fixed for the wine sector by Council Regulation (EEC) No 1129/89 (3);

Whereas these new rates result in a considerable change in the size of monetary compensatory amounts applicable, in particular, in Greece;

Whereas it is likely that on this occasion speculative traffic will occur, and possibly deflect trade;

Whereas in order to prevent such deflections it should be specified, that the monetary compensatory amounts for these products applicable before the fixing of these new rates shall remain applicable for a limited period beyond that date; whereas the exact products and the length of the period applicable to each must be determined in the light of the specific conditions governing the marketing of these products;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for wine,

HAS ADOPTED THIS REGULATION:

Article 1

Regulation (EEC) No 3156/85 shall apply from 1 September 1989 as follows:
