COMMISSION REGULATION (EEC) No 2735/89

of 8 September 1989

amending Regulation (EEC) No 2776/88 on data to be sent in by the Member States with a view to the booking of expenditure financed under the Guarantee Section of the European Agricultural Guidance and Guarantee Fund (EAGGF)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 729/70 of 21 April 1970 on the financing of the common agricultural policy (1), as last amended by Regulation (EEC) No 2048/88 (2), and in particular Articles 4 and 5 thereof,

Whereas Article 1 of Council Regulation (EEC) No 3730/87 of 10 December 1987 laying down the general rules for the supply of food from intervention stocks to designated organizations for distribution to the most deprived persons in the Community (3) stipulates that the products made available to such organizations are to come from intervention stocks; whereas, in view of the close link with intervention purchase and storage, it is necessary that the detailed rules on how the financing of such food supply measures fits into the system of advances against booking should follow the same lines;

Whereas there is a correspondence between the costs of disposal of the products of distillation provided for in Article 37 and those provided for in Article 40 of Council Regulation (EEC) No 822/87 of 16 March 1987 on the common organization of the market in wine (4), as last amended by Regulation (EEC) No 1236/89 (5); whereas it is advisable therefore to apply the same rules on the financing of the system of advances against booking for the measures in question;

Whereas it necessary to define the time-limits for physical operations to be observed for the purpose of declaration of expenditure referred to in Article 4 of Council Regulation (EEC) No 1883/78 of 2 August 1978 laying down general rules for the financing of interventions by the European Agricultural Guidance and Guarantee Fund, Guarantee Section (6), as last amended by Regulation (EEC) No 787/89 (7);

(6) OJ No L 216, 5. 8. 1978, p. 1.
(7) OJ No L 85, 30. 3. 1989, p. 1.

Whereas it is therefore necessary to amend Commission Regulation (EEC) No 2776/88 (8);

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Committee of the EAGGF,

HAS ADOPTED THIS REGULATION:
