COMMISSION REGULATION (EEC) No 289/89

of 3 February 1989

fixing, for the period 1 January to 31 December 1989, the maximum quantity of certain products of the oils and fats sector to be released for consumption and imported into Spain and Portugal

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to the Act of Accession of Spain and Portugal,

Having regard to Council Regulation (EEC) No 475/86 of 25 February 1986 laying down general rules for the system for controlling the prices and the quantities of certain products in the oils and fats sector released for consumption in Spain (1), as amended by Regulation (EEC) No 1930/88 (2), and in particular Article 16 thereof,

Having regard to Council Regulation (EEC) No 476/86 of 25 February 1986 laying down the general rules for the mechanism for controlling the prices and the quantities of certain products in the oils and fats sector released for consumption in Portugal (3), as amended by Regulation (EEC) No 1920/87 (4), and in particular Article 14 thereof,

Whereas Article 2 (2) of Commission Regulation (EEC) No 1183/86 of 21 April 1986 laying down detailed rules for the system for controlling the prices and the quantities of certain products in the oils and fats sector released for consumption in Spain (5), as last amended by Regulation (EEC) No 3729/88 (6), provides for the fixing of the quantities of oils and fats to be released for consumption in Spain and the maximum annual volume of imports of such products; whereas Regulation (EEC) No 3419/88 (7) fixed the maximum quantity of sunflower oil to be released for consumption and exported to Spain for the 1988/1989 marketing year; whereas the maximum quantities for the other products or groups of products listed in Article 1 (1) of Regulation (EEC) No 1183/86 should be fixed; whereas the overall forecast supply balance provided for in Article 4 of Regulation (EEC) No 475/86 has been drawn up;

Whereas Article 2 (2) of Commission Regulation (EEC) No 1184/86 of 21 April 1986 laying down detailed rules for the system for controlling the prices and the quantities of certain products in the oils and fats sector released for consumption in Portugal (8), as last amended by Regulation (EEC) No 1726/87 (9), provides for the fixing of the quantities of oils and fats to be released for consumption in Portugal and the maximum annual volume of imports of such products; whereas the maximum quantities should be fixed in accordance with the criteria defined in Article 292 of the Act of Accession; whereas the overall forecast supply balance provided for in Article 4 of Regulation (EEC) No 476/86 has been drawn up;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Oils and Fats,

HAS ADOPTED THIS REGULATION:
