Having regard to Council Regulation (EEC) No 804/68 of 27 June 1968 on the common organization of the market in milk and milk products (1), as last amended by Regulation (EEC) No 763/89 (2), and in particular Article 5c (7) thereof,

Having regard to Council Regulation (EEC) No 857/84 of 31 March 1984 adopting general rules for the application of the levy referred to in Article 5c of Regulation (EEC) No 804/68 in the milk and milk products sector (3), as last amended by Regulation (EEC) No 1117/89 (4), and in particular the second subparagraph of Article 6 (2) thereof,

Whereas, as provided for in Council Regulations (EEC) No 804/68 and (EEC) No 857/84, the guaranteed total quantities of milk and milk products fixed in respect of deliveries to purchasers and of direct sales to consumption may be adjusted under certain conditions;

Whereas, in the light of statistical data recorded and to take account of structural changes affecting both milk deliveries to purchasers and direct sales to consumption in Spain, the total quantity fixed for direct sales to consumption should be reduced and the guaranteed total quantity for that Member State should be increased accordingly; whereas, for the same reasons, a similar adjustment is also required for Greece;
