# COUNCIL REGULATION (EEC) No 3365/89

## of 6 November 1989

## amending Annex I to Regulation (EEC) No 288/82 and Annex III to Regulation (EEC) No 3420/83 in respect of the liberalization of certain products which are subject to national quantitative restrictions

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular Article 113 thereof,

Having regard to the rules establishing common organization of agricultural markets and to those concerning processed agricultural products adopted under Article 235 of the Treaty, in particular the provisions of those rules which allow for derogation from the general principle that all quantitative restrictions or measures having equivalent effect may be replaced solely by the measures provided for in those same rules,

Having regard to the proposal from the Commission,

Whereas the quantitative restrictions which exist in the various Member States are listed in Annex I to Regulation (EEC) No 288/82 [1], as last amended by Regulation (EEC) No 2429/89 [2] the Annexes to which were last updated in *Official Journal of the European Communities* No C 37 of 16 February 1987, and in Annex III to Regulation (EEC) No 3420/83 [3], as last amended by Regulation (EEC) No 2273/87 [4];

Whereas the reduction or the elimination of quantitative restrictions is among the objectives set out in the ministerial declaration of Punta del Este concerning the Uruguay Round;

Whereas, following the decision taken by the Council on 22 February 1988, on 8 March 1988 the Community put before the GATT Contracting Parties an offer concerning the dismantling of quantitative restrictions,

HAS ADOPTED THIS REGULATION:
