COMMISSION REGULATION (EEC) No 3496/89

of 22 November 1989

reintroducing the preferential customs duty on imports of small-flowered roses originating in Israel

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 4088/87 of 21 December 1987 fixing conditions for the application of preferential customs duties on imports of certain flowers originating in Cyprus, Israel, Jordan and Morocco [1], as amended by Regulation (EEC) No 3551/88 [2], and in particular Article 5 (2) (b) thereof,

Whereas Regulation (EEC) No 4088/87 fixes conditions for the application of a preferential customs duty on large-flowered roses, small-flowered roses, uniflorous (bloom) carnations and multiflorous (spray) carnations within the limit of tariff quotas opened annually for imports of fresh cut flowers into the Community;

Whereas Council Regulations (EEC) No 2396/89 [3], open and provide for the administration of Community tariff quotas for cut flowers and flower buds, fresh, originating in Cyprus, Jordan, Morocco and Israel;

Whereas Article 2 (3) of Regulation (EEC) No 4088/87 stipulates that the preferential customs duty shall be reintroduced for a given product of a given origin if the prices of the imported product (full rate customs duty not deducted) are, for at least 70 % of the quantities for which prices are available on representative Community import markets, not less than 85 % of the Community producer price for a period, calculated from the actual date of suspension of the actual preferential customs duty,

— of two successive market days, after suspension under Article 2 (2) (a) of that Regulation,

— of three successive market days, after suspension under Article 2 (2) (b) of that Regulation;

Whereas, Article 2 (3) of that Regulation stipulates that in the absence of available price quotations, the preferential customs duty shall be reintroduced if there are no prices for six successive working days from the date the measure was applied.

Whereas Commission Regulation (EEC) No 3327/89 [4] fixed Community producer prices for carnations and roses for application of the arrangements for importation from the countries in question;

Whereas Commission Regulation (EEC) No 700/88 [5], as amended by Regulation (EEC) No 3556/88 [6], laid down detailed rules for the application of these arrangements;

Whereas to permit the import arrangements to function in the normal manner, prices on importation should be calculated using:

— for currencies maintained against each other within a maximum spread at any given moment for spot rate transactions of 2,25 % a conversion rate based on their central rate multiplied by the correcting factor provided for in the last subparagraph of Article 3 (1) of Council Regulation (EEC) No 1676/85 [7], as last amended by Regulation (EEC) No 1636/87 [8],

— for other currencies a conversion rate based on the arithmetic mean of the spot market rate of the currency, recorded for a given period, against the Community currencies indicated in the preceding indent and of the aforesaid coefficient;

Whereas the preferential customs duty fixed for small-flowered roses originating in Israel by Regulation (EEC) No 2396/89 of the Council was suspended by Commission Regulation (EEC) No 3128/89 [9];

Whereas on the basis of price recordings made as specified in Regulations (EEC) No 4088/87 and (EEC) No 700/88 it must be concluded that the requirement for reintroduction of the preferential customs duty laid down in the first indent of Article 2 (3) is met for small-flowered roses originating in Israel; whereas the preferential customs duty should be reintroduced,

HAS ADOPTED THIS REGULATION:

Article 1

For imports of small-flowered roses (CN codes ex 0603 10 11 and ex 0603 10 51) originating in Israel the preferential customs duty set by Regulation (EEC) No 2396/89 is reintroduced.
