COMMISSION REGULATION (EEC) No 927/89

of 7 April 1989

on arrangements for imports into the Community of certain textile products (category 73) originating in the Philippines

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 4136/86 of 22 December 1986 on common rules for imports of certain textile products originating in third countries (1), as last amended by Regulation (EEC) No 718/89 (2), and in particular Article 11 thereof,

Whereas Article 11 of Regulation (EEC) No 4136/86 lays down the conditions under which quantitative limits may be established; whereas imports into the Community of textile products of category 73 specified in the Annex hereto and originating in the Philippines exceeded the level referred to in paragraph 3 of the said Article 11;

Whereas, in accordance with paragraph 5 of the said Article 11 of Regulation (EEC) No 4136/86, the Philippines was notified on 31 January 1989 of a request for consultations; whereas, as a result of these consultations, it was agreed to make the textile products in question subject to quantitative limits for the years 1989 to 1991;

Whereas paragraph 13 of the said Article 11 provides for compliance with the quantitative limits to be ensured by means of a double-checking system in accordance with Annex VI to that Regulation;

Whereas the products in question exported from the Philippines between 7 February 1989 and the date of entry into force of this Regulation must be set off against the quantitative limit for the year 1989;

Whereas this quantitative limit should not prevent the importation of products covered by it but shipped from the Philippines to the Community before the date of entry into force of this Regulation;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Textile Committee,

HAS ADOPTED THIS REGULATION:

Article 1

Without prejudice to the provisions of Article 2, imports into the Community of the category of products originating in the Philippines and specified in the Annex hereto shall be subject to the quantitative limits set out in that Annex.

Article 2

1. Products as referred to in Article 1, shipped from the Philippines to the Community before the date of entry into force of this Regulation and not yet released for free circulation, shall be so released subject to the presentation of a bill of lading or other transport document proving that shipment actually took place before that date.

2. Imports of such products shipped from the Philippines to the Community after the entry into force of this Regulation shall be subject to the double-checking system described in Annex VI to Regulation (EEC) No 4136/86.

3. All quantities of products shipped from the Philippines to the Community on or after 7 February 1989 and released for free circulation shall be deducted from the quantitative limit laid down. This limit shall not, however, prevent the importation of products covered by it but shipped from the Philippines before the date of entry into force of this Regulation.

Article 3

This Regulation shall enter into force on the day following its publication in the *Official Journal of the European Communities.*

It shall apply until 31 December 1991.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 7 April 1989.
