COMMISSION REGULATION (EEC) No 1043/90

of 26 April 1990

fixing the import levies on products processed from cereals and rice

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to the Act of Accession of Spain and Portugal,

Having regard to Council Regulation (EEC) No 2727/75 of 29 October 1975 on the common organization of the market in cereals [1], as last amended by Regulation (EEC) No 201/90 [2], and in particular Article 14 (4) thereof,

Having regard to Council Regulation (EEC) No 1418/76 of 21 June 1976 on the common organization of the market in rice [3], as last amended by Regulation (EEC) No 1806/89 [4], and in particular Article 12 (4) thereof,

Having regard to the opinion of the Monetary Committee,

Whereas the rules to be applied in calculating the variable component of the import levy on products processed from cereals and rice are laid down in Article 14 (1) (A) of Regulation (EEC) No 2727/75 and Article 12 (1) (a) of Regulation (EEC) No 1418/76; whereas Article 2 of Council Regulation (EEC) No 2744/75 of 29 October 1975 on the import and export system for products processed from cereals and rice [5], as last amended by Regulation (EEC) No 1906/87 [6], provides that the incidence on the prime costs of these products of the levies applicable to their basic products should be calculated on the basis of the average of the levies applicable to these basic products for the first 25 days of the month preceding that of importation; whereas this average, adjusted on the basis of the threshold price valid for the basic products in question during the month of importation is calculated on the basis of the quantities of basic products considered to have been used in the manufacture of the processed product or the competing product which serves as a reference for processed products not containing cereals;

Whereas Commission Regulation (EEC) No 1579/74 of 24 June 1974 on the procedure for calculating the import levy on products processed from cereals and from rice and for the advance fixing of this levy for these products and for compound feedingstuffs manufactured from cereals [7], as last amended by Regulation (EEC) No 1740/78 [8], provides that the levy thus determined, increased by the fixed component, is valid in general for one month but is altered where the levy applicable to the basic product concerned differs by not less than ECU 3,02 per tonne from the average of the levies calculated as described above;

Whereas, in accordance with Article 5 of Regulation (EEC) No 2744/75 and Article 2 of Regulation (EEC) No 1579/74, the levy on certain processed products must be reduced by an amount equal to the production refund granted in respect of basic products for processing;

Whereas the fixed component of the levy is specified in Regulation (EEC) No 2744/75; whereas, in accordance with Council Regulation (EEC) No 2742/75 [9], as last amended by Regulation (EEC) No 1009/86 [10], the variable component of the levy on certain processed products must be reduced by the incidence of the production refund granted in respect of basic products intended for processing;

Whereas, in order that account may be taken of the interests of the African, Caribbean and Pacific States and of the overseas countries and territories, the levy relating to them in respect of certain products processed from cereals must be reduced by the amount of the fixed component and, in respect of some of these products, by part of the variable component; whereas this reduction must be made in accordance with Article 14 of Council Regulation (EEC) No 715/90 of 5 March 1990 on the arrangements applicable to agricultural products and certain goods resulting from the processing of agricultural products originating in the ACP States or in the overseas countries and territories (OCT) [11];

Whereas Council Regulation (EEC) No 3899/89 of 18 December 1989 reducing for 1989 the levies on certain agricultural products originating in developing countries [12] reduces by 50 % the levy or importation into the Community of products of CN code 1108 13 00, within the limit of a fixed amount of 5 000 tonnes a year;

Whereas Council Regulation (EEC) No 430/87 of 9 February 1987 concerning the import arrangements applicable to products falling within CN codes 0714 10 10, 0714 10 90 and 0714 90 10 originating in certain third countries [1], as last amended by Regulation (EEC) No 3846/89 [2], and Council Regulation (EEC) No 885/89 of 5 April 1989 on the arrangements applying to imports for 1989 of products falling within CN codes 0714 10 91, 0714 10 99, 0714 90 11 and 0714 90 19 originating in third countries which are not members of the GATT, other than China [3], lay down the terms on which the import levy is limited to 6 % *ad valorem;*

Whereas Council Regulation (EEC) No 2730/75 of 29 October 1975 on glucose and lactose [4], as amended by Regulation (EEC) No 222/88 [5], stipulates that the treatment provided for glucose and glucose syrup falling within CN codes 1702 30 91, 1702 30 99 and 1702 40 90 by Regulation (EEC) No 2727/75 it is to be extended to glucose and glucose syrup falling within CN codes 1702 30 51 and 1702 30 59; whereas consequently the levy fixed for products falling within CN codes 1702 30 91, 1702 30 99 and 1702 40 90 also applies to products falling within CN codes 1702 30 51 and 1702 30 59; whereas, to ensure that the provision in question is properly applied, these products and the levy thereon should be explicitly mentioned in the list of levies;

Whereas, if the levy system is to operate normally, levies should be calculated on the following basis:

— in the case of currencies which are maintained in relation to each other at any given moment within a band of 2,25 %, a rate of exchange based on their central rate, multiplied by the corrective factor provided for in the last paragraph of Article 3 (1) of Council Regulation (EEC) No 1676/85 [6], as last amended by Regulation (EEC) No 1636/87 [7],

— for other currencies, an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded over a given period in relation to the Community currencies referred to in the previous indent, and the aforesaid coefficient;

Whereas, in accordance with Article 18 (1) of Regulation (EEC) No 2727/75, the nomenclature provided for in this Regulation is incorporated in the combined nomenclature,

HAS ADOPTED THIS REGULATION:
