COMMISSION REGULATION (EEC) No 1282/90

of 15 May 1990

amending Regulation (EEC) No 859/89 laying down detailed rules for the application of intervention measures in the beef and veal sector

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Whereas Commission Regulation (EEC) No 859/89 of 29 March 1989 laying down detailed rules for the application of intervention measures in the beef and veal sector (3) laid down rules governing invitations to tender; whereas, to improve the selection of tenders, the quantities which may be offered at the same price should be limited and the presentation of several tenders at different prices should be permitted; whereas, in order to arrive at a harmonious distribution of the quantities offered where they exceed the quantities to be bought in, it should be laid down that where reduction coefficients are used they may, quantifiable criteria applying, be set at a higher level for high-priced tenders than for low-priced ones;

Whereas, for the sake of sound market management, the time limit for payment for products taken over by intervention agencies should be reduced;

Whereas this Regulation is in accordance with the opinion of the Management committee for Beef and Veal,
