COMMISSION REGULATION (EEC) No 1304/90

of 18 May 1990

adopting interim protective measures in regard to applications for STM licences for milk and milk products lodged between 7 and 12 May 1990

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to the Act of Accession of Spain and Portugal, and in particular Article 85 (1) thereof,

Whereas Commission Regulation (EEC) No 606/86 of 28 February 1986 laying down detailed rules for applying the supplementary trade mechanism to milk products imported into Spain from the Community of Ten [1], as last amended by Regulation (EEC) No 280/90 [2], fixes the indicative ceilings for milk sector products for 1990 and splits these up into monthly ceilings;

Whereas applications for STM licences lodged between 7 and 12 May 1990 for certain types of cheese are for quantities higher than the ceiling allotted for the second quarter;

Whereas Article 85 (1) of the Act of Accession states that the Commission may take interim protective measures necessary by an emergency procedure where the situation indicated that the indicative ceiling will be attained or exceeded; in this respect it is necessary to provisionally suspend for the categories concerned the issue of all new licences and refuse any requests,

HAS ADOPTED THIS REGULATION:

2. The issuing of STM licences for the products covered by the abovementioned category 3 of CN code ex 0406 is hereby provisionally suspended.

Article 2
