COUNCIL REGULATION (EEC) No 1326/90

of 14 May 1990

fixing the guide prices for wine for the 1990/91 wine year

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to the Act of Accession of Spain and Portugal, and in particular Article 89 (1) thereof,

Having regard to Council Regulation (EEC) No 822/87 of 16 March 1987 on the common organization of the market in wine (1), as last amended by Regulation (EEC) No 1325/90 (2), and in particular Article 27 thereof,

Having regard to the proposal from the Commission (3),

Having regard to the opinion of the European Parliament (4),

Having regard to the opinion of the Economic and Social Committee (5),

Whereas, when the guide prices for the various types of table wine are fixed, account should be taken both of the objectives of the common agricultural policy and of the contribution which the Community wishes to make to the harmonious development of world trade; whereas the objectives of the common agricultural policy are, in particular, to ensure a fair standard of living for the agricultural community and to assure the availability of supplies and to ensure that supplies reach consumers at reasonable prices;

Whereas, when the guide prices were last fixed, it was stated, in Regulation (EEC) No 1238/89 (6), that the same guide price would be fixed for the 1990/91 wine year for table wines of types R I, R II and A I in the Community of Ten; whereas the difference between the guide prices for types of red wines and that for white wine should be eliminated, care being taken to ensure that the resulting average financial impact is neutral for both producers as a whole and the Community budget;

Whereas the price level in Spain is different from that of the common prices; whereas pursuant to Article 70 of the Act of Accession, the Spanish prices should be aligned on the common prices in annual steps at the beginning of each marketing year; whereas the criteria laid down for this alignment give rise to Spanish prices being fixed as set out below;

Whereas the guide prices must be fixed for each type of table wine representative of Community production as defined in Annex III to Regulation (EEC) No 822/87,

HAS ADOPTED THIS REGULATION:
