COMMISSION REGULATION (EEC) No 1818/90

of 29 June 1990

fixing for July 1990 the levy applicable in Spain to products subject to the price control system

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to the Act of Accession of Spain and Portugal,

Having regard to Commission Regulation (EEC) No 1183/86 of 21 April 1986 laying down detailed rules for the system for controlling the prices and the quantities of certain products in the oils and fats sector released for consumption in Spain [1], as last amended by Regulation (EEC) No 1581/90 [2], and in particular Article 14 thereof,

Whereas Article 14 of Regulation (EEC) No 1183/86 provides that, for the period from 1 March 1986 to 31 December 1990, a levy is to be applied to imports into Spain of products subject to the price control system and to soya oil produced from imported beans and released for consumption; whereas that levy is to be fixed on the basis of the difference between, on the one hand, an ex factory price for crude soya oil of Pta 106 per kilogram and, on the other hand, the price of that oil on the world market, plus the duty charged in Spain on imports from third countries;

Whereas the Spanish system of compensation for vegetable oil prices applied prior to accession was supervised by a State organization; whereas therefore, the system providing for the said levy will make any further intervention by the State superfluous and thus preclude certain potential obstacles to trade, particularly in soya oil;

Whereas that levy should be as fixed hereinafter,

HAS ADOPTED THIS REGULATION:

Article 1

The levy referred to in Article 14 of Regulation (EEC) No 1183/86 shall be ECU 339,27 per tonne of oil for July 1990.

Article 2

This Regulation shall enter into force on 1 July 1990.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 29 June 1990.

For the Commission

Ray MAC SHARRY

Member of the Commission
