of 29 June 1990

on the issuing of import licences for preserved cultivated mushrooms originating in China

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 1796/81 of 30 June 1981 on measures applicable to imports of preserved cultivated mushrooms [1],

Whereas Article 5 (4) of the abovementioned Regulation provides that if the quantities for which licences have been applied for exceed the balance available for a supplier country after the reserve has been used, the Commission is to fix a single percentage figure by which the quantities applied for are to be reduced;

Whereas quantities of cultivated preserved mushrooms originating in China and applied for on 25 and 26 June 1990 exceed the quantities available; whereas the extent to which licences may be issued may accordingly be determined;

Whereas the quantities for which licences have been issued have reached the annual amount granted to China;

whereas the issuing of licences qualifying for the exemption from the additional amount provided for in Article 2 of Regulation (EEC) No 1796/81 should accordingly be suspended,
