# COMMISSION REGULATION (EEC) No 1956/90

## of 9 July 1990

## amending for the second time of Regulation (EEC) No 1314/89 Regulation (EEC) No authorizing Greece not to apply in certain areas the areas provided for in Council Regulation (EEC) No 1442/88 as regards the granting of permanent abandonment premiums in respect of wine-growing areas for the 1989/90 to 1995/96 wine years

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 1442/88 of 24 May 1988 on the granting, for the 1988/89 to 1995/96 wine years, of permanent abandonment premiums in respect of wine-growing areas [1] as amended by Regulation (EEC) No 1327/90 [2], and in particular Article 12 (1) thereof,

Whereas, pursuant to Commission Regulation (EEC) No 2729/88 of 31 August 1988 laying down detailed rules for the application of Regulation (EEC) No 1442/88 on the granting, for the 1988/89 to 1995/96 wine years, of permanent abandonment premiums in respect of wine-growing areas [3], as last amended by Regulation (EEC) No 678/89 [4], Greece lodged a request with supporting documents for exclusion from the scope of the measures provided for in Regulation (EEC) No 1442/88 from the 1990/91 wine year;

Whereas in order not to call into question the quality policy, Greece should be authorized not to apply abandonment measures to part of the currant production potential by amending Commission Regulation (EEC) No 1314/89 [5], as last amended by Regulation (EEC) No 2289/89 [6]; whereas the increase, resulting from that change, in production potential not failing within the scope of Regulation (EEC) No 142/88 is such that the wine-growing potential of those areas as a whole is less than 10 % of the national wine-growing potential;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Wine,

HAS ADOPTED THIS REGULATION:
