COMMISSION REGULATION (EEC) No 2025/90

of 16 July 1990

amending Regulation (EEC) No 1562/85 laying down detailed rules for the application of measures to encourage the processing of oranges and the marketing of products processed from lemons

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 2601/69 of 18 December 1969 laying down special measures to encourage the processing of certain varieties of oranges (1), as last amended by Regulation (EEC) No 3848/89 (2), and in particular Article 3 (1) thereof,

Having regard to Council Regulation (EEC) No 1035/77 of 17 May 1977 laying down special measures to encourage the marketing of products processed from lemons (3), as last amended by Regulation (EEC) No 1199/90 (4), and in particular Article 1 (3) thereof,

Whereas Article 12 of Commission Regulation (EEC) No 1562/85 (5), as last amended by Regulation (EEC) No 2987/89 (6), provides that processors are to submit applications for financial compensation to the competent body in the Member State within 30 days at the latest following the end of processing operations; whereas administrative requirements in certain Member States make it difficult to comply with that time limit; whereas the latter should be extended to 60 days and the necessary adaptations should be made;

Whereas, so that the intervention threshold system for lemons operates properly, the quantities of lemons delivered for processing pursuant to Regulation (EEC) No 1035/77 between 1 March in one year and 28/29 February in the following year must be known;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Fruit and Vegetables,

HAS ADOPTED THIS REGULATION:
