COMMISSION REGULATION (EEC) No 2032/90
of 17 July 1990
fixing the export refunds on poultrymeat

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to the Act of Accession of Spain and Portugal,

Having regard to Regulation (EEC) No 2777/75 of the Council of 29 October 1975 on the common organization of the market in poultrymeat (1), as last amended by Regulation (EEC) No 1235/89 (2), and in particular the first sentence of the fifth subparagraph of Article 9 (2) thereof,

Having regard to the opinion of the Monetary Committee,

Whereas Article 9 of Regulation (EEC) No 2777/75 provides that the difference between prices on the world market for the products listed in Article 1 (1) of that Regulation and prices for those products within the Community may be covered by an export refund;

Whereas Regulation (EEC) No 2779/75 of the Council of 29 October 1975 (3), lays down general rules for granting export refunds and criteria for fixing the amount of such refunds;

Whereas it follows from applying these rules and criteria to the present situation on the market in poultrymeat that the refund should be fixed at an amount which would permit Community participation in world trade and would also take account of the nature of these exports and their importance at the present time;

Whereas the present market situation in certain third countries and that regarding competition on particular third country markets make it necessary to fix a refund differentiated by destination for certain products in the poultrymeat sector;

Whereas, in view of the present circumstances in the German Democratic Republic and their effects on the market situation, no refund should be fixed for products to be exported to that destination;

Whereas if the refund system is to operate normally, refunds should be calculated on the following basis:

— in the case of currencies which are maintained in relation to each other at any given moment within a band of 2,25 %, a rate of exchange based on their central rate, multiplied by the corrective factor provided for in the last paragraph of Article 3 (1) of Council Regulation (EEC) No 1676/85 (4), as last amended by Regulation (EEC) No 1636/87 (5);

— for other currencies, an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period in relation to the Community currencies referred to in the previous indent and the aforesaid coefficient;

Whereas Commission Regulation (EEC) No 634/86 of 28 February 1986 laying down specific rules on export refunds in the poultrymeat sector following the accession of Portugal and amending Regulation (EEC) No 189/86 (6) established the principle that no Community refund should be granted on poultrymeat products originating in Portugal;

Whereas the Management Committee for Poultrymeat and Eggs has not delivered an opinion within the time limit set by its chairman,

HAS ADOPTED THIS REGULATION:
