COMMISSION REGULATION (EEC) No 2092/90

of 20 July 1990

determining the extent to which applications lodged in July 1990 for import licences for certain pigmeat products can be accepted

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 3899/89 of 18 December 1989 reducing for 1990 the levies on certain agricultural products originating in developing countries (1),

Whereas Commission Regulation (EEC) No 3919/89 (2), as amended by Regulation (EEC) No 683/90 (3), set the quantities of pigmeat products that can be imported at a reduced levy during the second quarter of 1990;

Whereas Article 4 (5) of Regulation (EEC) No 3919/89 stipulates that the quantities applied for can be reduced; whereas applications for import licences lodged under the said Regulation are for total quantities in excess of those available under Article 2 for products named against serial numbers 51.0010 and 51.0060 in Regulation (EEC) No 3899/89; whereas in order to ensure a fair distribution of these quantities those applied for should be reduced by a fixed percentage;

Whereas the applications made for licences for products named against serial numbers 51.0040, 51.0070 and 51.0080 in Regulation (EEC) No 3899/89 are for quantities lower than those available; whereas these applications can therefore be met in full;

Whereas Article 4 (5) of the abovementioned Regulation stipulates that if the total quantity for which applications have been submitted is less than that available the Commission shall calculate the quantity remaining, which is to be added to that available for the following quarter; whereas the quantity available for the fourth quarter of 1990 of the products named against serial numbers 51.0040, 51.0070 and 51.0080 in Regulation (EEC) No 3899/89 should therefore be determined,
