## reintroducing the levying of the customs duties applicable to synthetic camphor falling within CN code ex 2914 21 00, originating in China, to which the preferential arrangements of Council Regulation (EEC) No 3896/89 apply

Having regard to Council Regulation (EEC) No 3896/89 of 18 December 1989 applying generalized tariff preferences for 1990 in respect of certain industrial products originating in developing countries (1), and in particular Article 9 thereof,

Whereas, in pursuance of Articles 1 and 6 of Regulation (EEC) No 3896/89, suspension of customs duties is accorded to each of the countries or territories listed in Annex III other than those listed in column 4 of Annex I, within the framework of the preferential tariff ceilings fixed in column 6 of Annex I; whereas Article 7 of Regulation (EEC) No 3896/89 provides that the levying of customs duties on imports of the products in question originating in each of the countries and territories concerned may at any time be reintroduced as soon as the individual ceilings in question are reached at Community level;

Whereas, in the case of synthetic camphor falling within CN code ex 2914 21 00 originating in China the individual ceiling amounts to ECU 326 000; whereas that ceiling was reached on 17 April 1990, by charges of imports into the Community of the products in question originating in China; whereas it is appropriate to reintroduce the levying of customs duties for the products in question with regard to China,
