THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 804/68 of 27 June 1968 on the common organization of the market in milk and milk products [1], as last amended by Regulation (EEC) No 3879/89 [2], and in particular Article 6 (7) thereof,

Whereas Article 2a of Commission Regulation (EEC) No 3143/85 of 11 November 1985 on the sale at reduced prices of intervention butter intended for direct consumption in the form of concentrated butter [3], as last amended by Regulation (EEC) No 2690/89 [4], introduces the option of selling intervention butter in two stages, firstly by tendering and secondly at prices fixed at a standard rate in advance;

Whereas Commission Regulation (EEC) No 3473/89 [5] concerning the sale of 2 800 tonnes of intervention butter did not reach its desired goal; whereas it is therefore necessary to repeal the said Regulation and to put back on sale the quantities still held by the relevant agencies;

Whereas in view of the current butter stock situation it is possible to offer butter for sale in accordance with the conditions laid down in the Annexes to this Regulation;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Milk and Milk Products,

HAS ADOPTED THIS REGULATION:

4. The minimum prices referred to in Article 2a (3) of Regulation (EEC) No 3143/85 are given in Annex I hereto.

2. Except in cases of *force majeure,* if the successful tenderer has not made the payment within the specified period the tendering security referred to in Article 3 shall be forfeited and the sale shall be cancelled in respect of the remaining quantities.
