Whereas, pursuant to Article 4 (4) of Regulation (EEC) No 2169/81, if there are no suitable offers or quotations for determining the world market price for cotton seed, that price shall be established on the basis of the most favourable offers and quotations for cotton seed recorded on the Community market or, if those offers and quotations cannot be established on the basis of the value of the products obtained from processing the seed in the Community, less the processing cost; whereas this value is determined in accordance with Article 4 of Regulation (EEC) No 1201/89;
