COMMISSION REGULATION (EEC) No 2779/90

of 27 September 1990

amending Regulation (EEC) No 3177/80 on the place of introduction to be taken into consideration in applying Article 14 (2) of Council Regulation (EEC) No 1224/80 on the valuation of goods for customs purposes

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 1224/80 of 28 May 1980 on the valuation of goods for customs purposes (1), as last amended by Regulation (EEC) No 4046/89 (2), and in particular Article 14 (2) thereof,

Whereas Article 14 (1) of Regulation (EEC) No 1224/80 defines the place of introduction to be taken into consideration in determining the customs value;

Whereas Commission Regulation (EEC) No 3177/80 (3), as last amended by Regulation (EEC) No 1414/90 (4), provides for special treatment for goods introduced into the customs territory of the Community in the circumstances described in Article 14 (2) of Regulation (EEC) No 1224/80, and in particular for goods then carried to their place of destination through the territories of Austria, Yugoslavia, Switzerland or the German Democratic Republic, in view of the fact that the most usual route to the place of destination may be through those territories;

Whereas the territory of the former German Democratic Republic is now part of the customs territory of the Community, and for this reason, it is appropriate to delete the reference to the abovementioned territory in the Regulation in question;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Customs Valuation Committee,

HAS ADOPTED THIS REGULATION:

2. Article 2 is replaced by the following:
