COMMISSION REGULATION (EEC) No 2821/90

of 28 September 1990

fixing the rates of the refunds applicable to certain milk products exported in the form of goods not covered by Annex II to the Treaty

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 804/68 of 27 June 1968 on the common organization of the market in milk and milk products (1), as last amended by Regulation (EEC) No 3879/89 (2), and in particular Article 17 (5) thereof,

Whereas Article 17 (1) of Regulation (EEC) No 804/68 provides that the difference between prices in international trade for the products listed in Article 1 (a), (b), (c) and (e) of that Regulation and prices within the Community may be covered by an export refund; whereas Council Regulation (EEC) No 3035/80 of 11 November 1980 laying down general rules for granting export refunds on certain agricultural products exported in the form of goods not covered by Annex II to the Treaty, and criteria for fixing the amount of such refunds (3), as last amended by Regulation (EEC) No 3209/88 (4), specifies the products for which a rate of refund should be fixed, to be applied where these products are exported in the form of goods listed in the Annex to Regulation (EEC) No 804/68;

Whereas, in accordance with the first subparagraph of Article 4 (1) of Regulation (EEC) No 3035/80, the rate of the refund per 100 kilograms for each of the basic products in question must be fixed for each month;

Whereas, in accordance with paragraph 2 of that Article, that rate must be determined with particular reference to:

(a) the average costs incurred by processing industries in obtaining supplies of the basic products in question on the Community market and the prices ruling on the world markets;

(b) the level of the refunds on exports of processed agricultural products covered by Annex II to the Treaty which are manufactured under similar conditions;

(c) the need to ensure equality of competition for the industries which use Community products and those which use third-country products under inward-processing arrangements;

Whereas Article 4 (3) of Regulation (EEC) No 3035/80 provides that, when the rate of the refund is being fixed, account should be taken, where necessary, of production refunds, aids or other measures having equivalent effect applicable in all Member States in accordance with the Regulation on the common organization of the market in the product in question to the basic products listed in Annex A to that Regulation or to assimilated products;

Whereas Article 11 (1) of Regulation (EEC) No 804/68 provides for the payment of aid for Community-produced skimmed milk processed into casein if such milk and the casein manufactured from it fulfil certain conditions set out in Article 1 of Council Regulation (EEC) No 987/68 of 15 July 1968 laying down general rules for granting aid for skimmed milk processed into casein or caseinates (5), as last amended by Regulation (EEC) No 1435/90 (6);

Whereas Commission Regulation (EEC) No 442/84 of 21 February 1984 on the granting of aid for butter from private storage for use in the manufacture of pastry products, ice-cream and other foodstuffs and amending Regulation (EEC) No 1245/83 (7), as last amended by Regulation (EEC) No 698/86 (8), and Commission Regulation (EEC) No 570/88 of 16 February 1988 on the sale of butter at reduced prices and the granting of aid for butter and concentrated butter for use in the manufacture of pastry products, ice-cream and other foodstuffs (9), as last amended by Regulation (EEC) No 1048/89 (10), lay down that butter at reduced prices should be made available to industries which manufacture certain goods;

Whereas the application of the second indent of Article 1 (2) (d) of Regulation (EEC) No 3035/80 leads to the granting, for certain milk products in power form, of refunds the level of which is not in conformity with the aims set out in Article 4 (2) of that Regulation; whereas therefore a specific rate must be fixed for these products, so thar the resulting refund is equivalent to that applicable to similar products used in liquid form;

Whereas, in view of the present circumstances in the German Democratic Republic and their effects on the market situation, no refund should be fixed for products to be exported to that destination;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Milk and Milk Products,

HAS ADOPTED THIS REGULATION:
