COMMISSION REGULATION (EEC) No 3015/90

of 18 October 1990

determining the extent to which applications lodged in October 1990 for import licences for certain poultrymeat products can be accepted

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 3899/89 of 18 December 1989 reducing for 1990 the levies on certain agricultural products originating in developing countries [1],

Whereas Commission Regulation (EEC) No 3920/89 [2], as amended by Regulation (EEC) No 684/90 [3], set the quantity of poultrymeat that can be imported at a reduced levy during the fourth quater of 1990;

Whereas Article 4 (5) of that Regulation stipulates that the quantities applied for can be reduced; whereas applications for import licences for duck meat lodged pursuant to the said Regulation are for total quantities in excess of those available pursuant to Article 2 thereof; whereas in order to ensure a fair distribution of these quantities those applied for should be reduced by a fixed percentage;

Whereas the applications made for licences for goose meat are for quantities lower than those available; whereas these applications can therefore be met in full,

HAS ADOPTED THIS REGULATION:

Article 1

Applications for import licences for the period 1 October to 31 December 1990 submitted pursuant to Regulation (EEC) No 3920/89 shall be met:

(a) for 28,085 % of the quantity applied for, in the case of products named against serial number 51.0020 in Regulation (EEC) No 3899/89;

(b) in full, for products named against serial number 51.0030 in that Regulation.

Article 2

This Regulation shall enter into force on 19 October 1990.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 18 October 1990.

For the Commission

Ray MAC SHARRY

Member of the Commission
