of 2 February 1990

adopting interim protective measures on applications for STM licences in the beef and veal sector submitted during the period 22 to 26 January 1990

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to the Act of Accession of Spain and Portugal, and in particular Article 85 (1) thereof,

Whereas Article 85 (1) of the Act of Accession makes provision for the Commission to take the interim protective measures necessary if the indicative ceiling for the year in course or part of it is reached or exceeded;

Whereas the licence applications lodged between 22 and 26 January 1990 are for a quantity in excess of that set for the first quarter for live animals; whereas as an interim protective measure only a percentage of the amounts applied for in that period should be granted and no further certificates issued for the time being,
