COMMISSION REGULATION (EEC) No 356/90

of 9 February 1990

adopting interim protective measures in regard to applications for STM licences for milk and milk products lodged between 1 and 5 February 1990

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to the Act of Accession of Spain and Portugal, and in particular Article 85 (1) thereof,

Whereas Commission Regulation (EEC) No 606/86 of 28 February 1986 laying down detailed rules for applying the supplementary trade mechanism to milk products imported into Spain from the Community of Ten [1], as last amended by Regulation (EEC) No 280/90 [2], fixes the indicative ceilings for milk sector products for 1990 and splits these up into monthly ceilings;

Whereas applications for STM licences for butter and cheese lodged between 1 and 5 February 1990 are for quantities higher not only than that part of the ceiling allotted for that period but even higher for many of the products than the entire indicative ceiling set for 1990;

Whereas Article 85 (1) of the Act of Accesion states that the Commission may take interim protective measures necessary by an emergency procedure where the situation indicates that the indicative ceiling will be attained or exceeded; whereas the further issuing of licences for the products in question should therefore be suspended; whereas this measures will automatically entail a rejection of applications pending,

HAS ADOPTED THIS REGULATION:
