COMMISSION REGULATION (EEC) No 3623/90

of 14 December 1990

amending the monetary compensatory amounts applicable in the cereals sector

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 1677/85 of 11 June 1985 on monetary compensatory amounts in agriculture [1], as last amended by Regulation (EEC) No 2205/90 [2], and in particular Article 12 thereof,

Having regard to Commission Regulation (EEC) No 3153/85, of 11 November 1985, laying down detailed rules for the calculation of monetary compensatory amounts [3], as last amended by Regulation (EEC) No 3672/89 [4], and in particular Article 6, paragraph 3 thereof,

Whereas, Part 1 of Annex I of Commission Regulation (EEC) No 1207/90, fixing the monetary compensatory amounts in the cereals sector [5], as last amended by Regulation (EEC) No 3289/90 [6], replacing earlier Commission Regulations 1876/89 [7], 4103/88 [8], 1852/88 [9] and 3938/87 [10], which fixed the monetary compensatory amounts in the cereals sector from 1 January 1988;

Whereas the monetary compensatory amounts applicable to groats and meal of maize destined for the brewing industry laid down in Regulation (EEC) No 1207/90 take account of the production refund paid to starch manufacturers within the Community laid down in Regulation (EEC) No 2742/75 of the Council of 29 October 1975 on production refunds in the cereals and rice sectors [11], as last amended by Regulation (EEC) No 1009/86 [12];

Whereas Regulation (EEC) No 2742/75 expired on 1 July 1989; whereas the references to the production refund in the additional tables and codes in the appendix to Annex I of Regulation (EEC) No 1207/90 are no longer required and can be deleted;

Whereas footnote 3 to Part 1 of Annex I to Regulation (EEC) No 1207/90 requires a declaration in respect of all products falling within CN code heading 2309 of the precise composition of the product; whereas the purpose for the footnote is to establish whether the product contains manioc;

Whereas, in view of the fact that since the introduction of the Combined Nomenclature of goods based on the harmonized system, laid down in Council Regulation (EEC) No 2658/87 [13], as last amended by Regulation (EEC) No 3274/90 [14], it has been possible to establish the composition of the product without the need of a detailed description from the parties concerned, footnote 3 to Part 1 of Annex I to Regulation (EEC) No 1207/90 is not longer necessary and can be deleted;

Whereas, the deletion of the aforementioned footnote 3 can be applied retrospectively from the introduction of the Combined Nomenclature on 1 January 1988, at the request of the interested parties, in cases where those concerned have fulfilled all their obligations in respect of obtaining monetary compensatory amounts on trade in compound feed;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Cereals,

HAS ADOPTED THIS REGULATION:
